

The Friends of Bennerley Viaduct

Membership Information

The Friends Group is supporting the viaduct's owners, Railway Paths Ltd to conserve the Grade II listed Bennerley Viaduct and to bring it into public use by creating a cycling and walking path across it.

Membership of the Group costs £5. This money and any donations received are used to fund the running of the Group, its outreach events to the public and the workday events on and under the viaduct.

Any surplus is being set aside to fund small specific elements of the main Project.

Membership runs from the date of payment until December 31st of the year after joining.

Payment is accepted by:

- Cash
- Cheque (payable to the Friends of Bennerley Viaduct)
- Bank Transfer (NatWest Bank, Ilkeston, Sort code 60-11-37 Account No. 23286563)
- PayPal

(For electronic payments please see our website for details of how to provide your information - www.bennerleyviaduct.org.uk).

If paying at a meeting or an event, a membership card will be handed to you immediately on completion of the membership form. If paying electronically the card will either be handed to you when you attend the next meeting (preferred) or it can be posted out to you if requested.

Members are entitled and encouraged to attend the general meetings of the Group, vote for Officers and stand for office at the AGM. (A valid membership card will need to be produced at the AGM should you wish to vote or stand for election).

Our general meetings are held 6 times a year at the Gate Inn, Main Street, Awworth. (A very fine establishment and child friendly).

We especially welcome younger members, but please bear in mind that minors should be accompanied to our meetings by a responsible adult at all times.

Should you wish to volunteer to assist at any of the workdays at the viaduct, help man our display stand at any of the numerous public events we attend or assist at one of our car-boot fundraising events, then please register your interest. You will be made most welcome!

Thank you very much for considering to become a member of the Friends of Bennerley Viaduct.

We hope that that will join us in our efforts to bring the "Iron Giant of the Erewash Valley" back to life.
