

Described route from Ilkeston train station to Bennerley Viaduct

1. Turn right on exit from the station car park. From the platforms if arriving by train ; climb the steps and turn right.
2. Cross the footbridge and follow the pavement down the slope. At the bottom turn right into Wentworth Street.
3. Walk to the end and join the footpath signed on the left. Cross the river.
4. Take the right fork on the footpath and bear right onto the canal footpath and walk under the bridge.
5. Follow the canal footpath until the humped back bridge and either go under the bridge and up the steps or cross the road and rejoin the path on the other side.
6. Follow the footpath until you reach the bottom of the viaduct access ramp.
